

KAALCYBERSEC – REFUND & CANCELLATION POLICY (FOR CUSTOMERS)

Last updated on: / /

This Refund & Cancellation Policy applies to all **customers/clients** of **KaalCyberSec** and is to be read in conjunction with the Service Agreement, Statement of Work (SoW), and Non-Disclosure Agreement (NDA). **This policy does NOT apply to interns or internship programs.**

1. General Policy

- All services provided by KaalCyberSec are **custom, project-based, and effort-intensive**.
 - Once a project or service is initiated, resources, time, and tools are allocated specifically for the Client.
 - Therefore, **refunds are limited and strictly governed** by this policy.
-

2. Advance / Booking Amount

- Any advance or booking amount paid is **NON-REFUNDABLE**.
 - Advance payment confirms project slot booking, resource allocation, and planning.
 - No refund shall be issued if the Client chooses not to proceed after payment.
-

3. Project Cancellation by Client

If the Client cancels the project:

3.1 Before Work Commencement

- Advance payment remains **non-refundable**.
- No additional charges will be applied.

3.2 After Work Has Started

- **No refund** shall be provided.
 - Client is liable to pay for all work completed up to the date of cancellation.
-

4. Delay or Non-Response from Client

- If the Client fails to provide required inputs, access, or feedback for more than **days**, the project may be put on hold.
 - No refunds shall be applicable for delays caused by the Client.
 - Extended delays may result in project closure without refund.
-

5. Scope Change & Additional Work

- Any request beyond the agreed scope (as defined in the SoW) shall be treated as **additional work**.
 - Additional work may require a revised quotation or new SoW.
 - No refunds shall be issued due to scope changes.
-

6. Service-Based Deliverables

- For cybersecurity audits, pentesting, consulting, or assessments:
 - Fees are charged for **time, expertise, and analysis**, not for guaranteed outcomes.
 - No refunds shall be issued once testing or analysis has commenced.
-

7. Third-Party Services

- Costs related to third-party services (domains, hosting, licenses, tools, APIs, cloud services, etc.) are **non-refundable**.
 - KaalCyberSec shall not be responsible for refunds governed by third-party providers.
-

8. Force Majeure

KaalCyberSec shall not be liable for refunds or delays caused by events beyond reasonable control, including but not limited to: - Natural disasters - Government actions - Internet or infrastructure failures

9. Exceptional Circumstances

- Refunds, if any, shall be issued solely at the discretion of KaalCyberSec.
 - Any approved refund will be processed after deducting applicable administrative and service charges.
-

10. Acceptance of Policy

- Payment made by the Client signifies **full acceptance** of this Refund & Cancellation Policy.
 - This policy overrides any verbal or informal communication.
-

11. Governing Law

This policy shall be governed by and interpreted in accordance with the laws of **India**, including the **Indian Contract Act, 1872**.
